The Estero Historical Society received a generous donation of an American flag and the State of Florida flag. The generous donation was made by the Knights of Columbus – Our Lady of Light Catholic Community. The donation was also made possible from the Estero Chamber of Commerce. We thank you all very much. The flags will be displayed very proudly.

1904 Estero Creek Schoolhouse

1904 Estero Creek Schoolhouse

Over the summer we had some volunteer members donate their time on the interior of the schoolhouse with getting the insulation and bead board installed so we have interior walls up and the flooring has been installed. The painter came in and added his touches to complete the interior as well as paint the front porch. All we have left to do is the installation of the assistance ramp. Once this is built, we can receive our Certificate of Occupancy and begin moving in the furniture donations we have been receiving thanks to Diane Wisen who heads up the committee for furnishing the schoolhouse.

Membership Meeting – October 12, 2015

Our new Program Director, Carolyn Fischer will have us all “Celebrating How Early Estero Lived” with food, costumes, crafts and books. Evelyn Horne’s Cookbook will be featured along with our Mango Chutney Meat Sauce. There will be stories told by founding family descendents.

~ Book Review ~

Darlene truly celebrates her Mother’s life and work as one of Estero’s most loved and memorable pioneers. This collection of images, recipes, and memoirs is intended to capture a few fleeting glimpses of that remarkable life led in a remarkable town. Some recipes are written in Evelyn’s own hand or by a family member or friend. The artwork throughout the cookbook was also done by Evelyn. You will truly appreciate this very unique cookbook. Florida Gulf Coast University

Volunteers from FGCU

The Society has established a wonderful working relationship with Florida Gulf Coast University (FGCU). As part of the student's graduation requirements, they have to volunteer a certain amount of their time in the community. The students have chosen our Society in which to give their time.

Beginning in September 2015, we now have five volunteers from FGCU who come in and help with a variety of tasks from filing to weeding. They have been a tremendous help to the Society thus far. We hope this is the beginning of a wonderful ongoing relationship with FGCU.
