Fabulous Attired Ladies Attend Tea

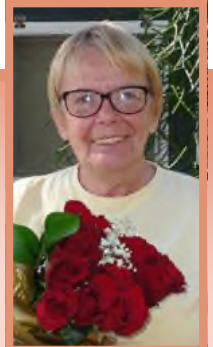

The time that the tea-lunch lasts is not enough time to really see the great hats and dresses our ladies come up with to wear. It is my pleasure as chair of this wonderful event to accept the responsible for all the fun the ladies have. I don't do it alone. I have several people and organizations to thank. I missed a few the day of the tea and feel I must make up for it here. **Anina Bachrach**—Over the past two teas

Anina has been my real "Go To" person. She has always filled more than 1 table and has gotten many of the raffle items for you to buy chances on. She and her husband Ben, hauled most of the raffle items from my home to Shadow Wood and emptied the van themselves. Most of all always a positive word of encouragement to me.

Bonita Springs Historical Society, Donna Nemsick—Thank you Donna for bringing our neighbors to the tea.

Photos Under the Sun—Patricia Downey took over 330 very excellent pictures of the tea-lunch. I have

Can't on next page.

Plant Sale

There will be a plant sale at the Historic Cottage on March 1 (Saturday) between 8:30 and 2PM. O'Donnell and Greenway nurseries and members will offer various types of plants for sale. You should call either Carla Morris (992 2855), Marlene (992 3178), or Sis Newberry (992 4431) for more information.

Thanks to Beverly MacNellis, chairperson of the tea, we had a wonderful, successful tea-lunch at Shadow Wood County Club. Two hundred and seven people attended the event. Each year we get more men to attend. This year three commissioners attended, Kiker, Mann and Pendergrass. Thanking the Board of Commissioners for their support in the past is very important to us for the future of our buildings.

Annual Tea

never seen the tea so wonderfully in such up close detail before and such fun filled, delightful pictures. Please visit her web site for purchase of the pictures. See how in box on this page.

My Friends: Bonnie Olson, Eve Hensler, Jan Pauli, Connie and Jack Mansfield who helped behind the scenes.

When you try to thank everyone you are for sure to forget someone, and I am very sorry about it. It is not intended.

Sunny Molle and Jean Pryal for filling two tables at the last minute for me.

MaryAnn Weenen and Eileen Galvin for donating items for the raffle baskets, thanks.

Peggy Egan and Brandy Minchew for doing such a good job with the raffle winners. See winners list on this page.

College of Life Foundation, the Smith Family Foundation and the Rotary Club of Estero: Thank you for your sponsorship. The profit from this event would be little without your support. **The College of Life Foundation** has been very generous to me for this tea, but also very generous to the EHS. Thank you. **Theresa Schober**, our key note speaker who kept everyone's attention. Best wishes on your film.

About President Truman

On Feb 10, in celebration of Presidents' Day, Arthur Steir gave a brief history of former President Truman's life and times. His

talk included President Truman's childhood, his service in World War One, his experience in running a haberdashery store, his appointment as a judge (actually a commissioner), his time as Vice President and President. Very interesting, especially the little known facts.
