To show our appreciation of our volunteers, we have  
established a program to do just that!

We have three Tiers set-up to recognize the hours  
our volunteers put in, Tier A-15 hours, Tier B-30  
hours and Tier C-50 hours of volunteer service.

All you have to do, is when you come in to  
volunteer, no matter what your task or how long, be  
sure to sign in each time in the  
"Volunteer Log Book".

As you achieve the Tier levels, you will be  
recognized!

A Note from our EHS President...

Welcome back everyone! Now that Summer is over, it is great to see all of our Members and Friends coming back to the Estero Historical Society as we start a new and exciting program for 2016-17. To beat the heat this summer, the Board of Directors, Program Director Carolyn Fischer and Committee Chairs have been hard at work putting together some very exciting programs for you. We want to be sure this year is even better than the last. I have to say, I am quite pleased and I hope you are as well.

Marlene Fernandez was hard at work with her many volunteers getting the Mango Chutney and Mango Jam ready for purchasing. Shelves are stocked and ready for you! Over the summer we had some terrific events which we shared with you in a newsletter, full of photos from the events which was put together by Beverly MacNellis. If you missed the newsletters, you may catch up online on our website. We look forward to seeing you all at our upcoming events!
