

LEGACY RECOGNITION PROGRAM

Become a Permanent Part of Estero History

The Estero Historical Society Complex serves as a living connection to the people, places, and stories that shaped Estero. Through the support of donors, volunteers, businesses, and community partners, these historic buildings and programs will continue to preserve our heritage for future generations. We invite you to become part of that legacy.

To recognize those whose generosity makes this possible, the Estero Historical Society will install a permanent bronze freestanding Legacy Recognition Monument within the Historical Society Complex. This monument will honor all individuals, and businesses whose significant contributions help preserve Estero's heritage for generations to come.
